AREAS OF RESEARCH

- Specialization: Philosophy of Science
- Competence: (Social) Epistemology, Decision Theory, Logic, Semantics
- Approach: Combination of conceptual, formal and empirical methods (“scientific philosophy”)

My research in philosophy of science is motivated from an epistemological perspective. Active research topics include statistical inference, causation, objectivity and scientific method in general.

RESEARCH PROJECTS

- 2019–2022 PRIN project “From Models to Decisions” funded by the Italian Ministry for University and Research (with Gustavo Cevolani, Carlo Martini and Giovanni Valente). 2019–2021. Volume: ca. 600,000 €.
- 2015–2020 Starting Investigator Grant “Making Scientific Inferences More Objective” (No. 640638), funded by the European Research Council (ERC). Volume: 1,500,000 €.
- 2014–2015 Vidi Scholarship by the Netherlands Organisation for Scientific Research (NWO). Five-year research grant returned in favor of ERC grant listed above. Volume: 800,000 €.
- 2012–2018 Local PI in the interdisciplinary Priority Program “New Frameworks of Rationality” of the German Research Foundation (DFG), with Matteo Colombo and Stephan Hartmann. Volume: 427,000 €.
- 2010–2013 Veni Scholarship by the Netherlands Organisation for Scientific Research (NWO) for the research project “An Objective Guide for Public Policy?”. Volume: 250,000 €.
-

FELLOWSHIPS

- 02–04/2017 Visiting Researcher at the *Centre for the Foundations of Science*, Sydney University.
- 01/2015 Visiting Researcher at the *Center for Formal Epistemology*, Carnegie Mellon University.
- 02–04/2011 Visiting Researcher at the *Australian Centre of Excellence for Risk Analysis (ACERA)*, University of Melbourne.
- 10–12/2010 Visiting Fellow at the *Centre for the Philosophy of Natural and Social Sciences*, London School of Economics.

09–11/2007	Visiting Fellow at the <i>Tilburg Center for Logic and Philosophy of Science</i> , Tilburg University.
01–03/2007	Visiting Fellow at the <i>Centre for the Philosophy of Natural and Social Sciences</i> , London School of Economics.
2006–2008	Postgraduate Research Scholarship of the <i>Cusanus Foundation</i> .
2000–2005	Scholarship of the <i>Cusanus Foundation</i> (Cusanuswerk).

OTHER TALKS AND RESEARCH PRESENTATIONS

For a complete list of talks and presentations, please visit my homepage at www.laeuferpaar.de/talks.html. In total, I have given over 100 (invited and/or peer-reviewed) presentations in an academic context, i.e., conferences, workshops, meetings of research networks, or departmental colloquia. I will restrict myself to some highlights at prestigious conferences:

- Biennial Meeting of the Philosophy of Science Association (2008, 2010, 2012, 2016, 2018)
- Biennial Meeting of the European Philosophy of Science Association (2007, 2009, 2011, 2013, 2015, 2017, 2019)
- Formal Epistemology Workshop (2007, 2010, 2012, 2016, 2019)
- Annual Meeting of the Cognitive Science Society (2014, 2015, 2016)

In a couple of cases in the above list, the papers were given by co-authors when I was unable to attend physically.

SELECTED CHESS ACHIEVEMENTS

I have played chess at semi-professional level for a large part of my adult life, primarily in team competitions in Germany, the Netherlands and Croatia, as well as the European Club Cup. Occasionally, I have obtained notable results against world-class players, beating Rustam Kasimdzhanov, Alexey Shirov and Ivan Šarić in (classical) tournament games, and drawing with Peter Leko, Richard Rapport, Peter Svidler, Wang Hao and Radoslaw Wojtaszek.

2018	Award of the title of an International Grandmaster.
2017	Third Grandmaster Norm in the European Club Cup, Antalya, Turkey.
2016	Second Grandmaster Norm in the European Club Cup, Novi Sad, Serbia.
2015–	Active for German chess club <i>Schachfreunde Berlin</i> .
2014–2015	Individual topscorer in the Dutch Team Competition (“Meesterklasse”).
2013–	Active for Dutch chess club <i>Leidsche Schaakgenootschap</i> .
2012–	Active for Croatian chess club <i>Šahovski Klub Brda</i> .
2006–2008	Listed in the Top 500 of the World.
2002–2008	Active for German chess club <i>Godesberger SK</i> .
2006	First Grandmaster Norm in the German team championship (“Schach-Bundesliga”).
2001	Award of the title of an International Master.
